Theatre Royal Stratford East

Stratford East makes theatre both for, and inspired by, our community in Newham, East London. We continue the political and revolutionary ethos of our founder Joan Littlewood as a leading London theatre and civic hub for East London. We are driven by our art, inclusive and bold. We tell stories that provoke discourse about the world we live in and our place within it.

Stratford East is a producing theatre, built in 1884, in the heart of East London, situated a short walk from Stratford station. We have a proud history and an exciting future. We represent our culturally and socially diverse community in the work we make, the people we employ and our audiences and participants. We tell stories that are current, political and representative of London.

From 1953 – 1979 the theatre was the home of Joan Littlewood's legendary Theatre Workshop Company. The Company received international recognition with their acclaimed productions such as *Oh, What a Lovely War!* and *A Taste of Honey*. Many leading actors, writers and directors have been part of the Theatre Royal Stratford East family including Meera Syal, Barbara Windsor, Don Warrington, Sheila Hancock, Indhu Rubasingham, Tanika Gupta, Roy Williams and Cynthia Erivo.

Under Nadia Fall's Artistic direction, we present a bold programme of reimagined classics, timely revivals and ground-breaking new work. Nadia's first season included a revival of *Equus*, which received seven 5 star reviews and a West End transfer, Sir Lenny Henry starred in a critically acclaimed and powerful rendition of August Wilson's *King Hedley II*, and we engaged over 300 young people in a large scale production of Benjamin Britten's *Noyes Fludde* in collaboration with English National Opera.

Alongside our work on stage, we run a Learning and Participation offer that is accessible and inclusive to all, with the aim to develop creative talent for people of every age. We run a range of programmes to create a lasting impact for our local community which aims to:

- provide routes into the industry, across all theatre departments, with a particular focus on diversifying those coming into the workplace,

ensuring the theatre workplace of the future is a diverse and skilled one; and

- provide opportunities to people of all ages to develop their creative talents and engage with the work of the theatre, ensuring that there is a creative outlet to the widest possible constituency.

Our Mission

- We produce work of the highest artistic quality that is:
 - Popular: Theatre of the highest quality that seeks to move and entertain everyone
 - Political: Work that provokes discourse about the world we live in and our place within it
 - Inclusive: Stories that are representative of our East London home and speaks to a wider London audience and which strive for an expansive and imaginative portrayal of its diverse communities

Governance and Finances

Theatre Royal Stratford East is a registered charity (Charity Name: Pioneer Theatres Ltd) and a company limited by guarantee. Stratford East Trading Limited is a subsidiary of the charity and operates the bar and catering provision. We are overseen by a non-executive Board of Directors chaired by Dame Margaret Hodge MP. The Board delegate day-to-day management of the theatre to its Executive Team: Nadia Fall (Artistic Director and CEO) and Eleanor Lang (Executive Director).

We have an annual turnover of approximately £3.5m and our work is funded through four main sources: grant income from Arts Council England and the London Borough of Newham; box office income;

fundraising income from trusts, businesses and individuals; and other earned income which includes commercial hires, catering and front of house sales.

COVID-19

As with many in the theatre industry, our doors reopened to the public on 2nd June 2021 after a prolonged dark period due to the ongoing Coronavirus pandemic. We closed our doors on 16th March 2020, and since 20th March 2020 staff have been working from home. On 17th May 2021 we were thrilled to be able to welcome some staff back into the building, however, we anticipate that it will be a long time before all staff are back in the building together full time, and some home working is likely to be in place for the immediate future. This job description is written with our current plans in mind, however, in light of the current rapidly changing and unpredictable situation it is possible that priorities might change.
